Scouting Report

Congrat's Jamie on signing a Letter of Intent with CAL Berkeley to play Field Hockey!! She is a very talented Field Hockey player. She is a Senior this school year @ Monta Vista HS, with a lot of raw talent that will improve any College or Univ. FH program. She is also involved in the U/19 Futures program. When talking with her coaches one will quickly realize that she has the talent to play the game of Field Hockey. Coach M. Gallaway, who acts as her assistant HS and U/19 Futures coach says, "From the moment she showed up she showed incredible game sense. She knows where to go on the field with and without the ball. She is a very smart player who is always thinking about the next move. She is a very hard worker who likes to create opportunities for her teammates as much as possible. She plays with a lot of energy and her strengths lie as a midfielder. She has strong offensive skills but is also a very good defender. She has a good head and knows how to use it on the field. During the most recent Futures qualifying tournament she was chosen as a member of the Western Regional Futures team, which she will be competing against other regional teams in the Virginia Beach Tournament 7/2-6 2003. She has recently joined a club team called the San Jose Fly, and their next tournament will be played over the Thanksgiving weekend in Palm Springs, Ca. CCS PLAYOFFS: 11/18/03 Semi-Finals Monta Vista HS vs Los Gatos HS 2 PM. Please keep checking back to view her updates and schedule!
