

Thank you so much for the financial package you sent me to attend Rosemont State University. After having given serious consideration to your offer, I am sorry to let you know that I have decided to accept an offer to play field hockey at another university.

I have really enjoyed learning about Rosemont State University as well as getting to know you personally throughout this recruiting process, and I am sorry if my decision is disappointing to you.

If you have any further questions for me, please feel free to contact me by phone or e-mail at any time. Thank you again for your offer, I really do appreciate it and I wish you all the best for the future.

Sincerely,
