

December 7, 2005

Dear Coach,

Thank you for sending me information about your school's football program. I am very interested in Greenville State College and playing in your program.

I would appreciate you adding me to your list of interested recruits and keeping me up to date with other information about Greenville State football. I am committed to playing college football and I look forward to continuing to update you with my statistics throughout my upcoming season.

Sincerely,

Zach Tyler
