

June 7, 2006

Dear Coach Jamieson,

Earlier this year you sent me information about Greenville State's football program. I remain very interested in your school and in playing football for the Fighting Bulldogs.

As my upcoming senior season progresses I will keep you up to date with my personal and team statistics. In the meantime, I am attaching my season schedule – you'll see that we play several local teams who have traditionally had very strong programs. (add schedule at bottom of letter)

As a junior last year, I (enter statistics). I was also voted on to the ABC Conference First Team. My current GPA is 3.4 and I am taking two advanced placement classes. (Also add any other applicable extracurricular information).

Good luck with your own season this year. I will be keeping up to date with your results. I look forward to hearing from you soon.

Sincerely,

**Zach Tyler**
