

December 7, 2005

Dear Coach,

Recently I promised to send you a video highlight of my recent high school season. (Choose from either) I am attaching the video for you review, or You may view my video by clicking on the following link. From my last e-mail, you may remember, my Parkview High team went 7-2 in the very tough ABC Conference and we won the division. Overall, our record was 15-4 and we won our District Championship. We won games against powerful teams including Westview and Hicksome High and our only losses were to traditional powerhouses St. Mary's and Holy Trinity.

Personally, I was team captain and I played an attacking center midfield role but with defensive responsibilities to close down our opponent's best attacking player when they were attacking. I scored 11 goals, had 23 assists and only allowed my mark to score 3 goals all season.

If you have any questions about my abilities or my desire and commitment to play soccer at the college level, both my high school coach Vince Dooley, and my club coach Dave Johnson, have told me that they would be happy to talk to you. Coach Dooley can be reached at 231-431-6789 and Coach Johnson can be reached at 321-432-8907.

I am also attaching my current player profile and my resume to also keep you up to date with my performance in the classroom as well as my extra curricular activities.

I am sincere in my desire to play soccer at Greenville State and I look forward to talking to you about your program very soon. (if in your senior year, suggest a time and date that you will call the coach, then be sure to call them on time).

Sincerely,

Thomas (Tommie) Jacobson
